Certificate of Completion

This is to certify that: Yan Kyin Shan

Has completed: **Procurement Framework for Scope 3 Decarbonisation**

An e-learning Module from **Equipoise's Scope 3 Procurement Training: Turning Climate Ambition into Action**

on: 20 Aug 2026

They have demonstrated an understanding of how to set up a procurement function with:

- **Sustainable Procurement Fundamentals:** Aligning procurement with organisational climate goals to set the strategic intent for Scope 3 action in the supply chain
- **Procurement Policy & Strategy:** Establishing formal policies, clear accountabilities, and SMART targets to govern sustainable procurement and mandate Scope 3 action.
- **Organisational Enablers:** Identifying skills, training, and systems needed to build capability, engage stakeholders, and empower teams to drive Scope 3 initiatives.
- **Procurement Processes Set-Up:** Embedding climate considerations along the source-to-contract process, applying sustainable practices from planning to contract management.

Signed: Luke Abbott Co-Founder & CEO, Equipoise.
